## Listen to the Exhortation of the Dawn

Look to this Day for it is life -

# The New Life of Life!

In its brief course lie all the Verities

And Realities of your Existence,

## The Bliss of Growth,

## The Glory of Action,

# The Splendor of Beauty,

For Yesterday is but a Dream,

And To-morrow is only a Vision;

But To-day well lived

Makes every Yesterday a Dream of Happiness,

And every Tomorrow a Vision of Hope

Look well, therefore, to this day!

Such is the Salutation of the Dawn

Handscript

To Pat,

A very wonderful person who I  
am glad to say is my friend. We  
have known you since grammar school,  
and I still see you, I think that's great.  
I hope you have all the love in the world  
and happiness in your world of peace.  
Take care cause you're my friend.

## "Vision of Hope" for the New Day

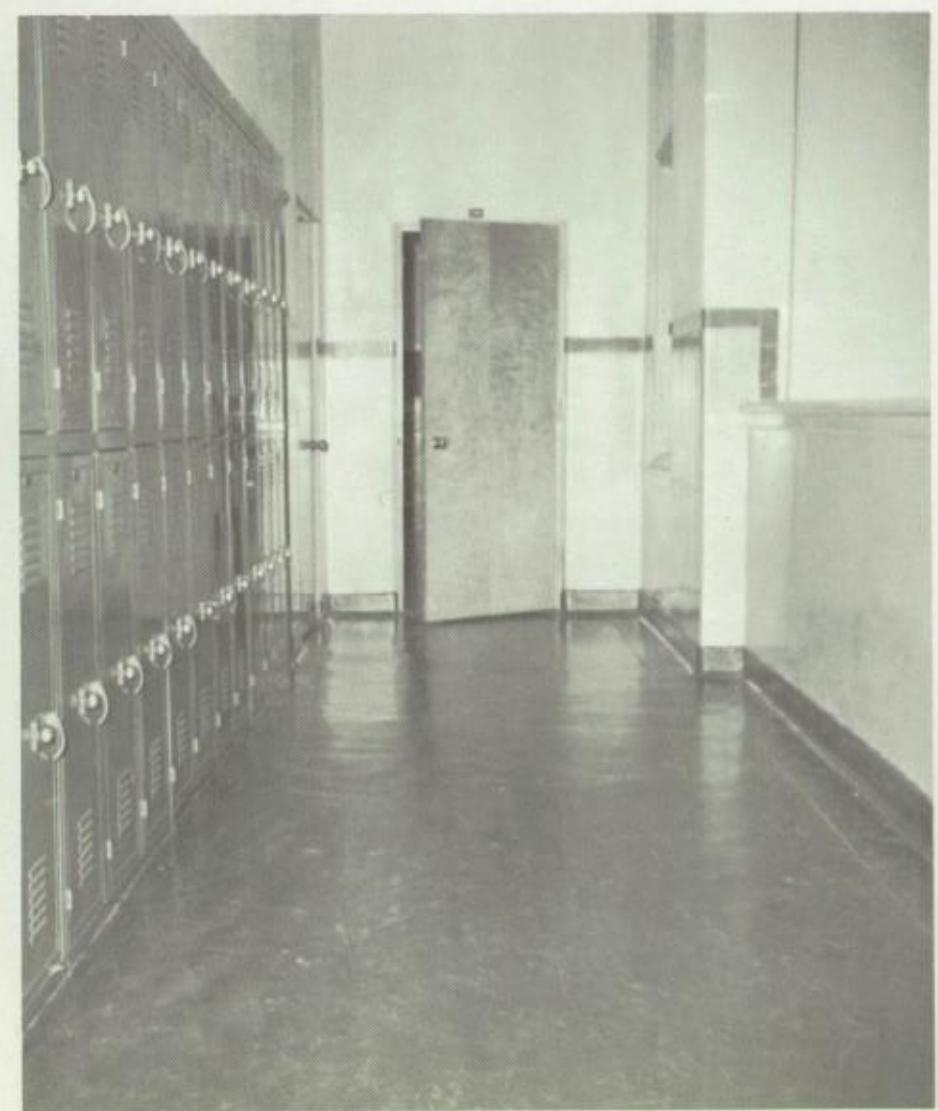

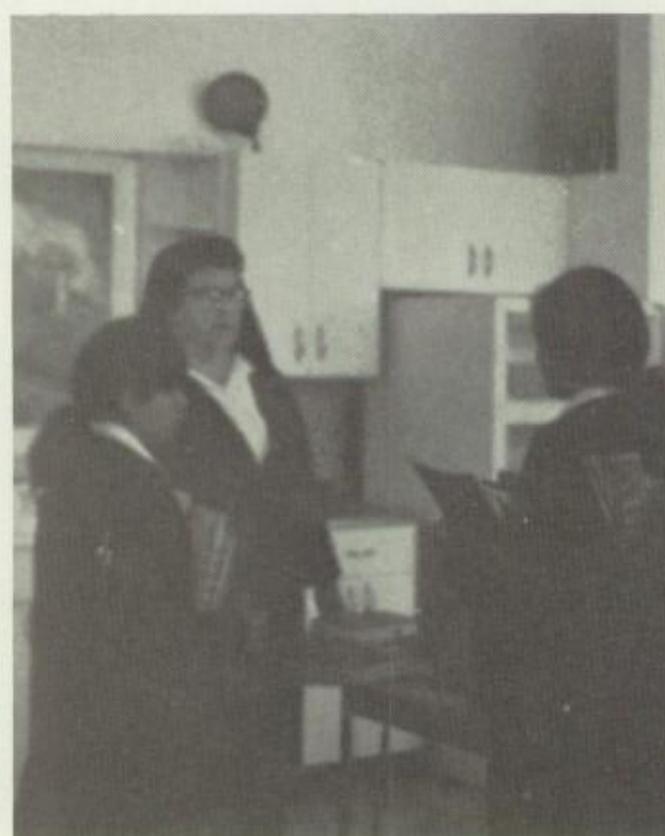

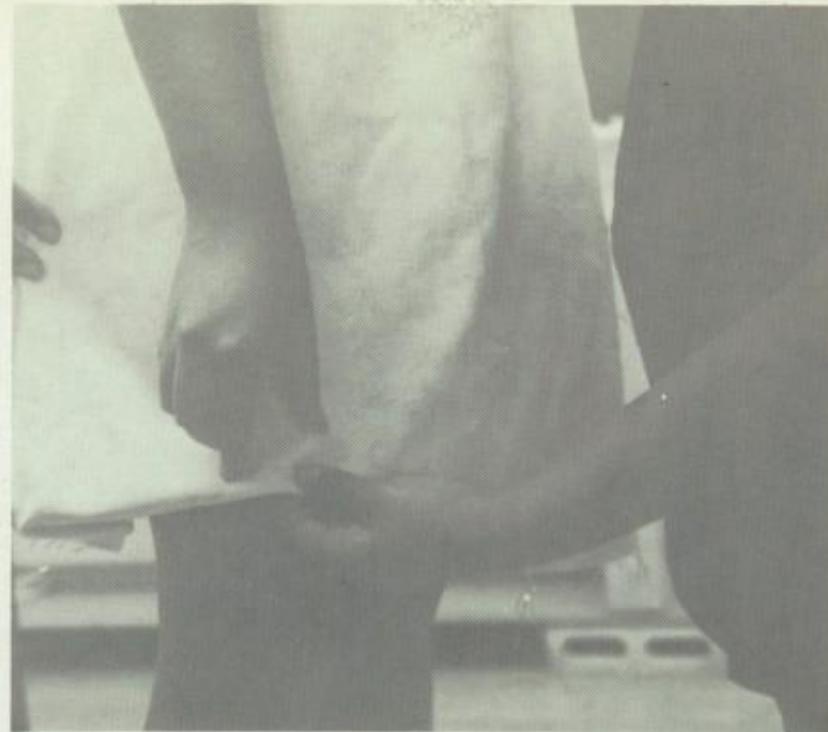

20

Pat, a real tiny  
quiet girl whom I've  
enjoyed having  
you at school as a kid friend.  
Have lots of fun  
this summer with the  
guys.

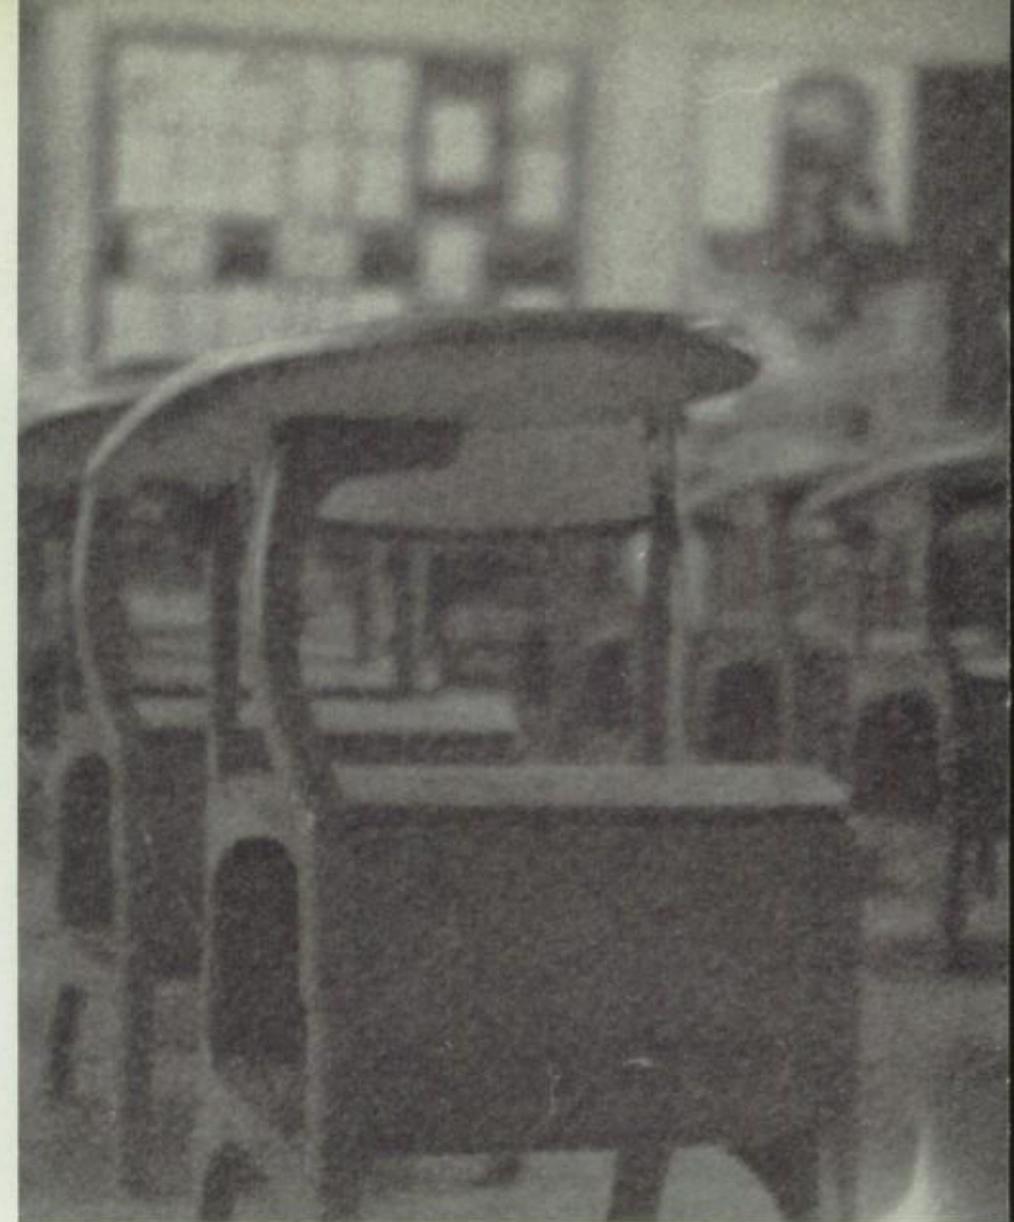

170  
Pat I hope you've been  
and I know this has been  
from me really has been about  
you knowing you don't feel  
that's alright. I hope you feel  
for in the summer we have a  
hot & humid day so I hope a cool  
place to stay  
Love to David

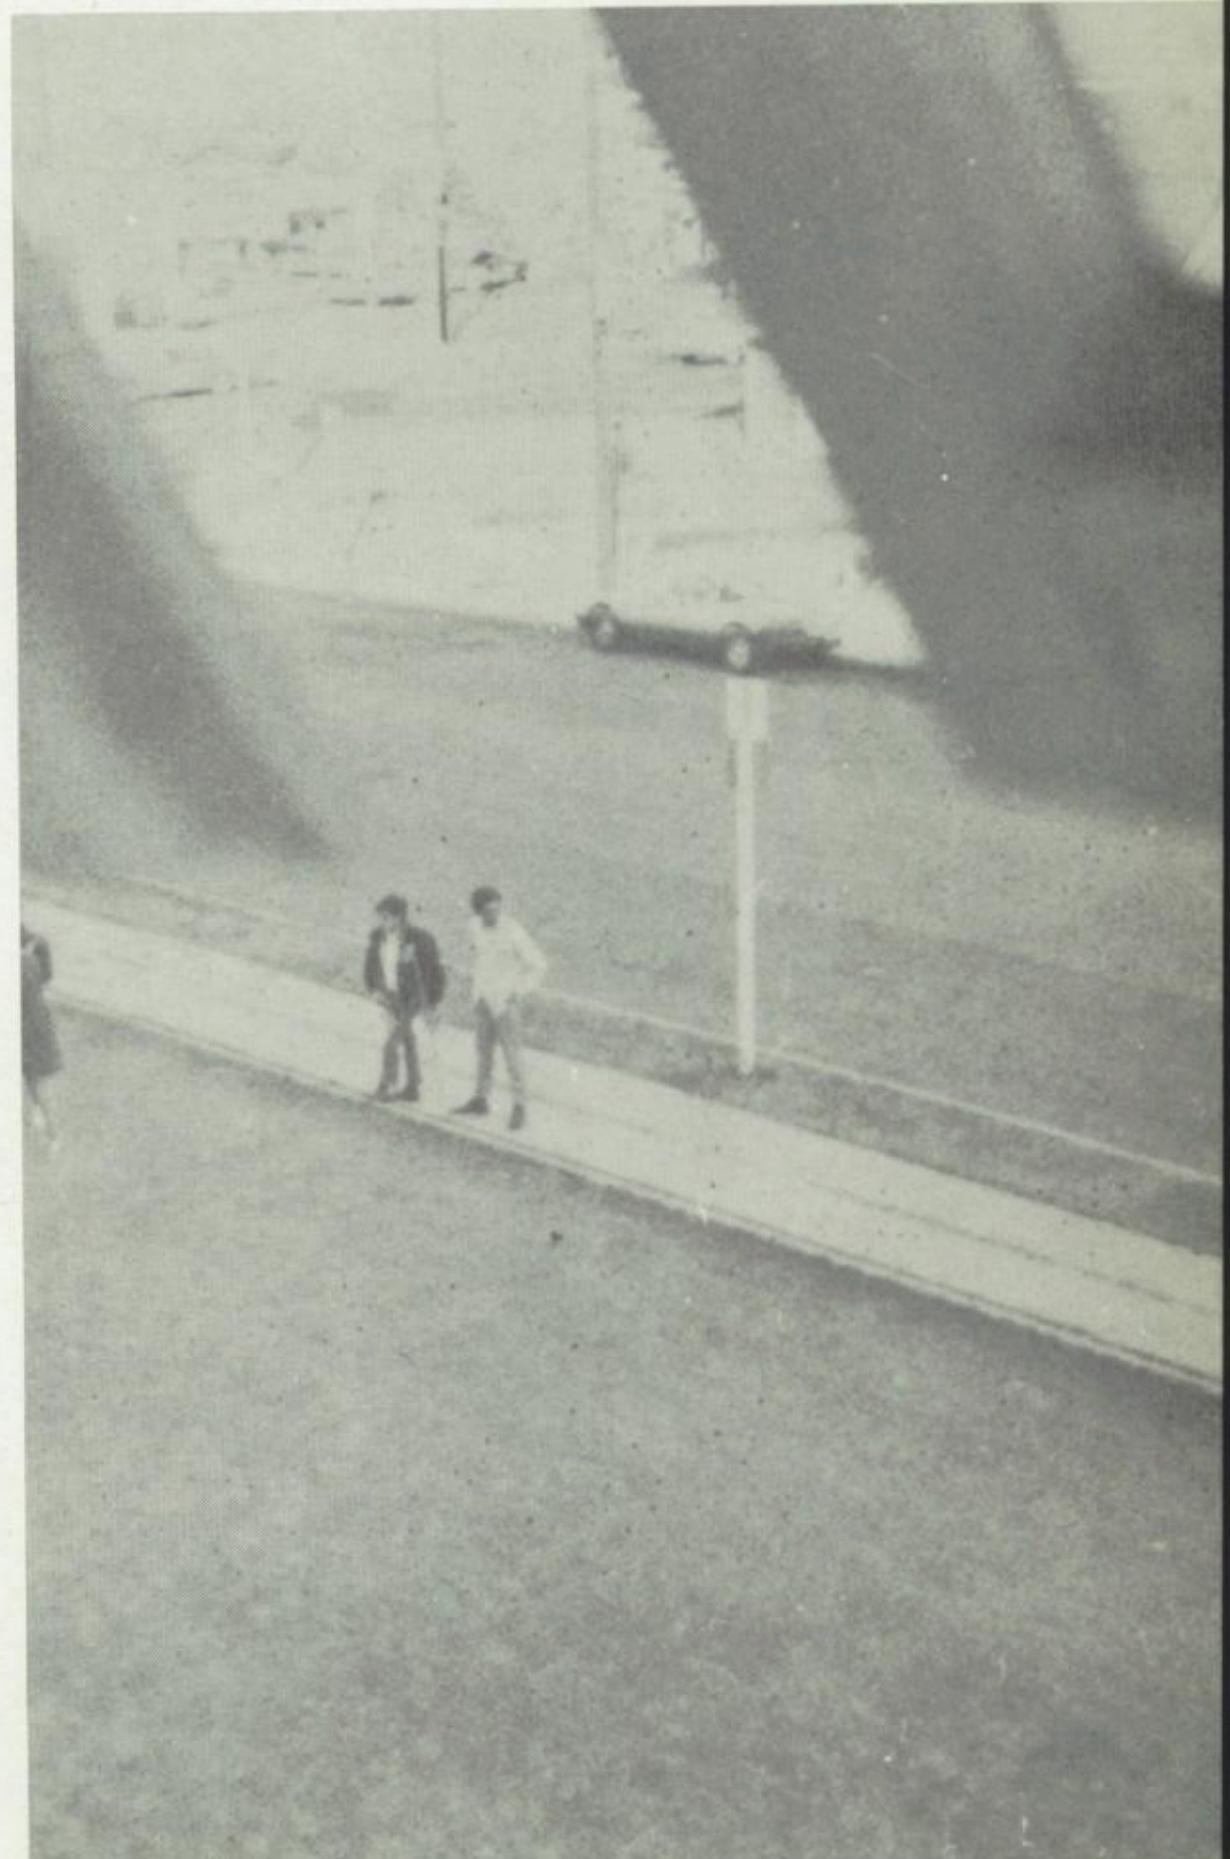

171  
I hope I see  
you next year

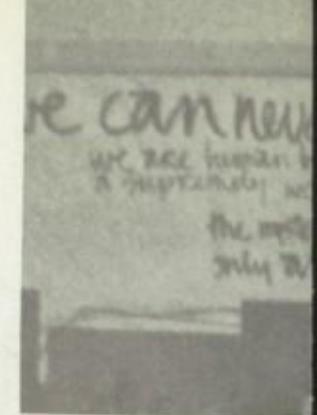

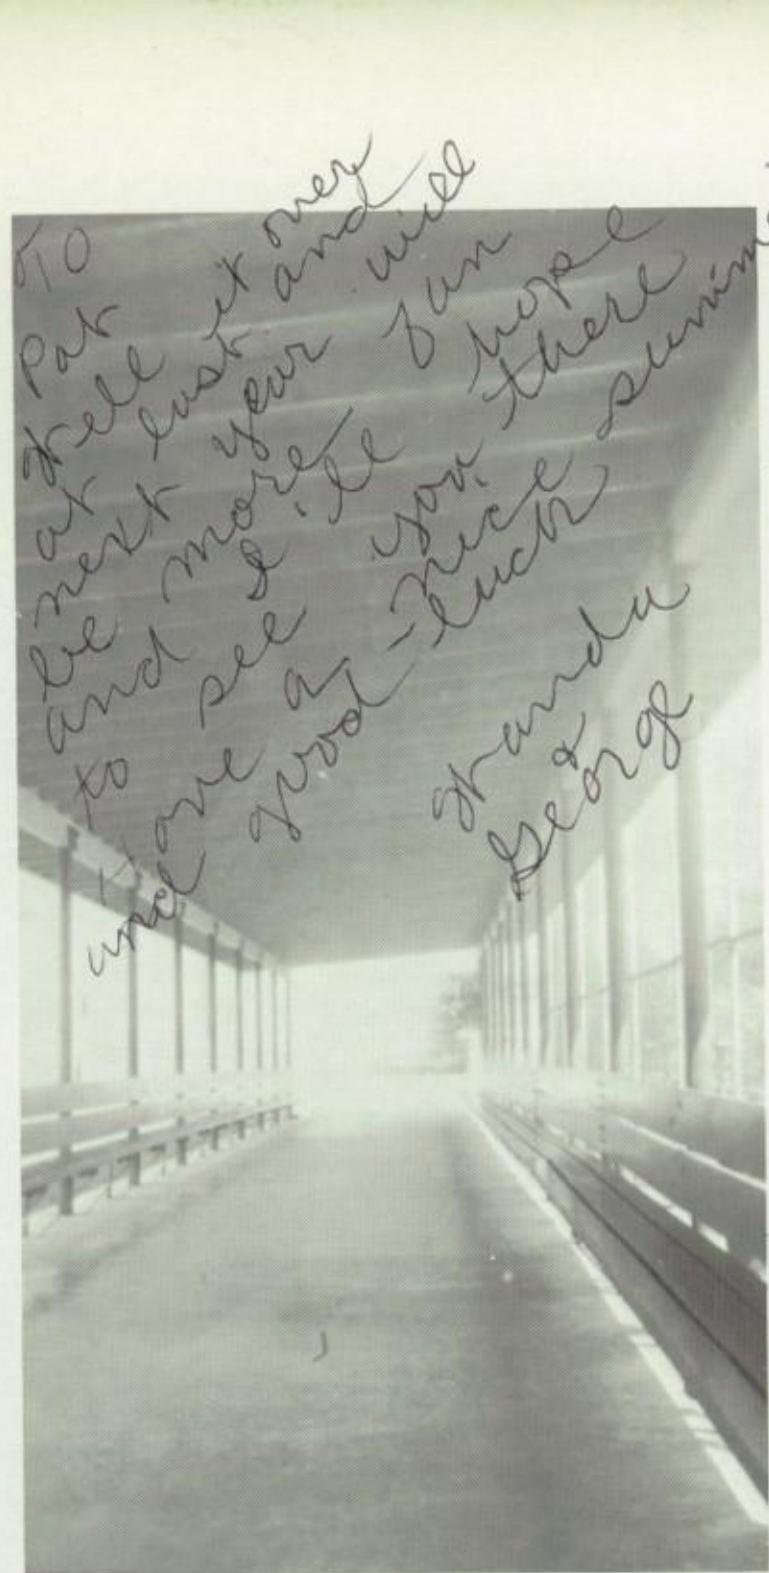

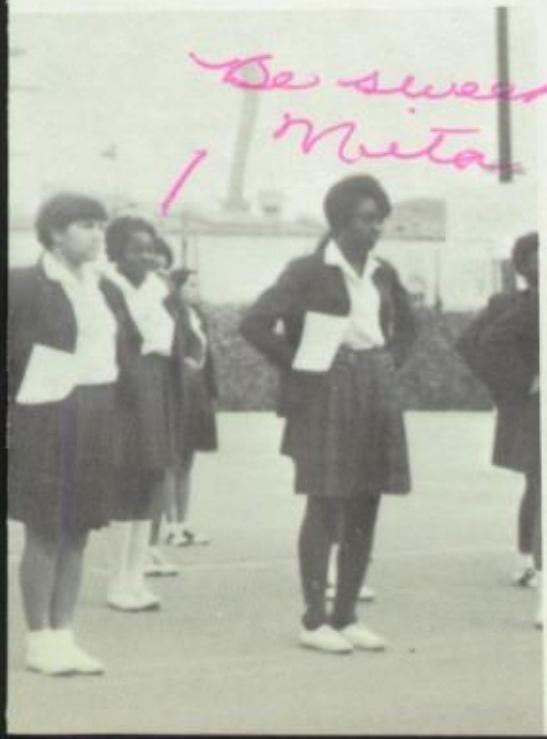

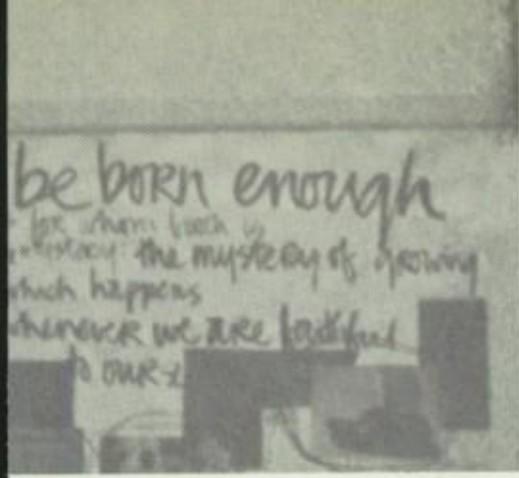

It's an 8:00 a.m. world!  
Scratched, stuffed lockers  
Wait for the twisting of their hearts  
To reveal another day's work.  
Marked, lonely desks  
Line up for the enduring of a long day  
To weaken their metallic bones.  
A time beginning  
And ending  
With a bell;  
A bell to bring about  
The Dawning of a New Day!

"When I walk out that door  
not for just a night or  
a weekend, but  
for the last time-  
I know that, perhaps,  
someone is waiting  
just for me."

THE DAWNING OF A NEW  
TIME!

Hi Pat,  
This year of  
has been one of  
our biggest and exciting.  
you have helped  
the class with your  
enthusiasm a good deal.  
Have a pleasant summer.  
See you next term.  
Love, George.

SQUAW

We are the new decade;  
It's up to us  
to make or break  
this world of ours.  
Here, each has friends of  
different colors -  
But it won't mean a thing  
if it lasts  
only till graduation.  
We must bring about  
THE DAWNING OF A NEW TIME.

# Hierarchy

A new decade has dawned and with it, a new administration for the Archdiocese. Archbishop Timothy Manning (second from the left) succeeded His Eminence James Francis Cardinal McIntyre (third from the left) and began a New Time. The new Archbishop has an overwhelming task to face, but with the assistance of the Most Reverend John J. Ward (far left) and the Most Reverend Joseph P. Dougherty (far right), the future of the Archdiocese is sure to be successful.

The retirement of His Eminence Cardinal McIntyre is well-deserved for a man who has done a tremendous amount of work for the promotion of education in our community. In his twenty two years of service to his Archdiocese of Los Angeles, he has constantly aided in the construction and support of schools to offer better education to more people.

SISTER MARIAN JOSEPH, MODERATOR

"The 'Lions' of '73 have the makings of real 'Majestics' - they have spirit and loyalty. Four years at Conaty will make them the strong young ladies that I love and admire."

LINDA JENKINS, FRESHMEN VICE-PRESIDENT

"As Vice-President of the Freshmen Class, I've found that I have more responsibilities than I had expected. I, along with the president and officers, have tried to unite the class as one. I am really very proud to be a part and a leader of this great class, "Majestics of 1973", because we know that our class is tops."

LILLY ESTRADA, FRESHMEN PRESIDENT

"When I was announced as Freshmen Class President, I was overjoyed that I would be able to serve my class as one of its guides on a journey on which we had just embarked. As we ventured into this journey, my only hope and desire is to lead my class on the right road - the one filled with all the necessities to achieve true Conaty spirit - making the Majestics of 1973 the pride of Bishop Conaty High School."

PATRICIA ESTRADA, FRESHMEN TREASURER

"As our Freshmen year comes to a close, I would like to take this time to thank each member of the Freshmen Class for their cooperation. Being treasurer of this class was a rewarding experience. It has given me the opportunity to do something for my class."

JANICE TANAKA, FRESHMEN SECRETARY

"In my short term as Secretary of the Freshmen Class, I have already experienced the wonderful spirit and determination this class has. I look toward the future with hope that we will accomplish more than we have already done in the past."

The first Freshmen Presentation to the Student Body of BCHS offers all of their goals for the coming years as a united class. With the help of their moderator, Sister Marian Joseph, they will reach these objectives.

In classrooms all over the school red banners deliver parts of the Freshmen Presentation message. The adding of all these parts create the whole—WE CAME IN PEACE FOR ALL MANKIND ONE GIANT FORWARD.

Before section officers were elected, these girls represented the Freshmen. They deserve a great deal of recognition and praise for the hard work they met in the first months at Conaty.

LINDA JENKINS and JANE ANTILLON represented their class in Student Council until officers were elected. They worked hard and did a beneficial job in presenting the Freshmen Word.

Initiation Day surely proved to be a great success.

If Cinderella looked like that, Prince Charming can have her.

Soupy was here!!

Who me? Cinderella!

It's better than eating in the cafeteria.

I left her some place.

SISTER MARIE DAMIEN, S.N.D. - SOPHOMORE MODERATOR

"Any major endeavor requires close cooperation, a real willingness to work things out together. This takes time and understanding. The Crystals have shown that they want to take the time. As a moderator, I could ask for no more."

AUDREY MARTIN - SOPHOMORE  
SECRETARY

"Memories are many. It's good to go and look back on things that have happened in the past. I hope that I can bring them back to the Crystals to remember. We've done many things and from these memories we may be able to do more."

THERESA TAYLOR - SOPHOMORE  
TREASURER

"As a treasurer, I am thankful to the girls of my class for their cooperation and assistance in making my job easier. They are a great group to work with and I hope that we will always be together."

DEBBIE NIXON - SOPHOMORE VICE-PRESIDENT

"As a Vice-President, I've found the duties to be more than just merely taking over when the President is absent. There have been many responsibilities which I have faced as an officer. The work with the committees is much more than it actually seems. There have also been the many activities and business to be taken care of within the class. In general, I work with the President and the other officers to see that our class is united and enthusiastic in its every job. Through my eyes, the class is one whole with many divisions or groups within it, striving together to perfect an already great and organized group of girls."

DENISE LA CROIX - SOPHOMORE PRESIDENT

"As I approached my second year at Conaty, I was given a new challenge. At first, I was frightened, but then I looked toward it with anticipation and enthusiasm. I had only been a particle in the Conaty spirit before and now I am faced with the job of leading two hundred and thirty-three girls to uphold that spirit. This duty requires a lot of responsibility, patience, and time. I hope that I have prepared myself to the fullest to take my class on and strive to make the Crystals sparkle brightest. At times our gem may become dull but just as easily we will make it glow again until 1972, when we will leave our sparkle behind as a memory."

This image shows a handwritten letter on lined paper. The header reads "Richard" and the date "January 1st 1896". The letter is written in cursive script and is filled with numerous blue ink flourishes, including large stylized 'X's and smaller floral designs. Several signatures are written across the page, including "Richard", "Ida", "Ida", "Graham", "Helen", "Violet", "Fannie", "Mabel", "Dora", "Alice", "Galahad", "Galostan", and "Galestan". The text of the letter discusses the sender's desire to be with the recipient, his love for her, and his hope for their future together.

SISTER MARY JEAN, JUNIOR CLASS MODERATOR

"As millions of stars shine throughout the years to bring light to our planet, so too, the Starlets have illuminated my life by being the type of spirited, co-operative, loving class any moderator would be proud to call her own."

Juniors

SENORA SAM, JUNIOR CLASS PRESIDENT

"As president of my class I can really say I have never been so willing to work with a group of girls who are so eager to make themselves an outstanding class. I want our class to lead those footsteps to a high goal of unification between all the classes and between each other. I am sure that not only with our Starlet spirit but also the other classes we have no problem of climbing the ladder to the top."

PEGGY HAYES, JUNIOR CLASS VICE-PRESIDENT

"My goal which I intend to reach is to find a steady subject in college in which I can base my future on. As vice-president of my class I intend to give my full cooperation to the other officers of my class. I feel that being loyal to the Starlet Class is of great importance because the girls are working so hard for their class and deserve the best of cooperation from their officers. Never before has the Starlets been so enthused. And I intend to lead them on with the other officers to the top of their goals, where they belong."

MARTHA MIRANDA, JUNIOR CLASS SECRETARY

"As secretary of the Junior Class I intend to show my class that I really want to do everything that I could do to make our class the best. I want to help our class in every event in which it participates. The Starlets have great spirit and I hope that I as a class officer would lead them to even a greater spirit."

FRANCES RENTERIA, JUNIOR CLASS TREASURER

"My goal in life is to work in a bank as a teller because I like to work with money and with people. As a treasurer, I wish to accomplish the trust of our class members and to show them where the money is distributed. I want all of the members of the class to be aware of how the money is spent."

# Student Body Officers

ADRIENNE CARTER, STUDENT BODY TREASURER: "I have a deep feeling that the turn of the decade has opened with it a new awareness. An awareness not only of further achievements, but more important an awareness of ourselves as people. If the 70's prove successful, man will have reached his goal and the world will have attained peace."

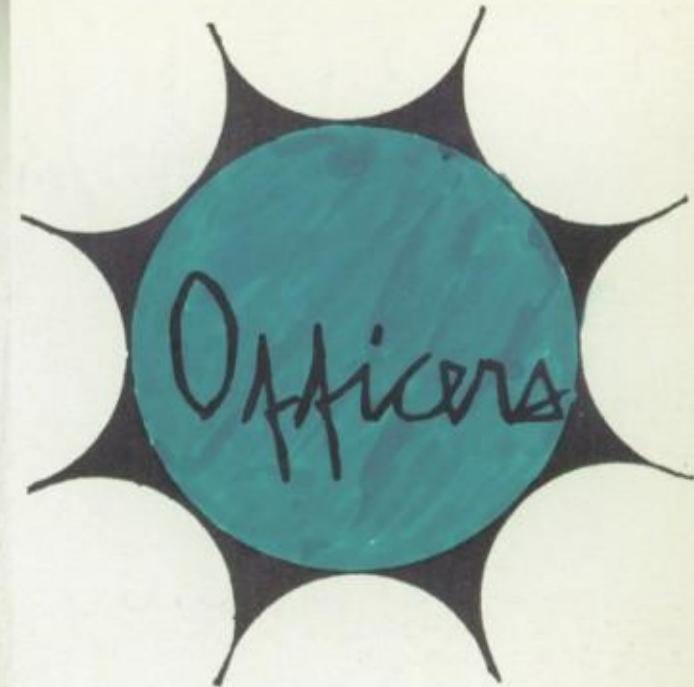

TERESITA GUITERREZ, STUDENT BODY SECRETARY: "In all my years here at Conaty I have been involved because I care. Looking back now I know I shall always remember the special events at school: the drives, assemblies, Field Day, our rings ... But I think all those other "little things", like celebrating one's girlfriend's birthday, class parties, the gang, and the funny moments in class will always hold a special place in my memories."

The Student Body officers of the school year 1969-1970 are Treasurer ADRIENNE CARTER, Secretary TERESITA GUITERREZ, Vice-President PATRICIA PORCHAS, and President MARTHA MARTINEZ.

PAT PORCHAS, STUDENT BODY VICE-PRESIDENT: "If I am to remember a time in my life, it would have to be my Senior Year. Many reasons attribute to this, but the most important was being Student Body Vice-President. It has been a true experience being an officer. Not only has it given me the opportunity to give a little of myself to Conaty, but it has given me a better insight of being a person."

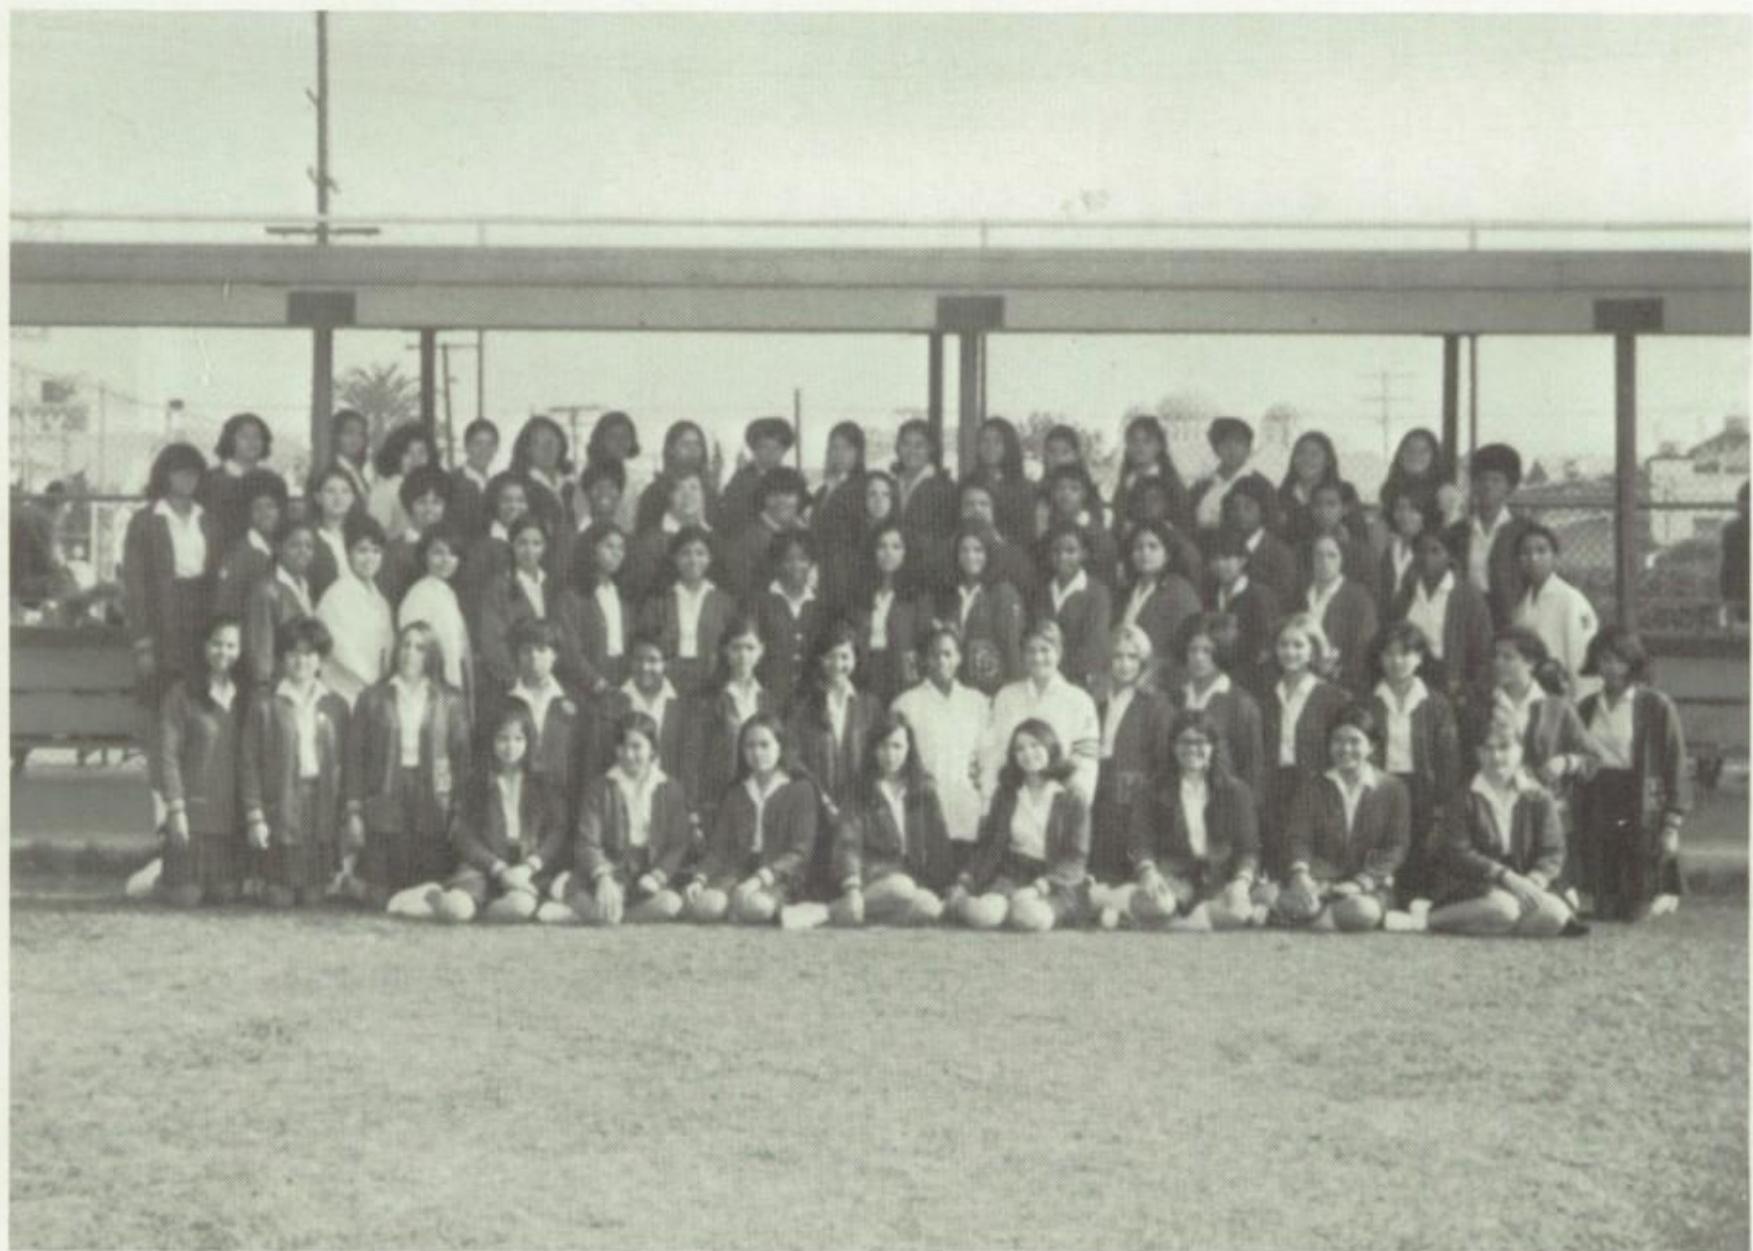

MARTHA MARTINEZ, STUDENT BODY PRESIDENT: "As Student Body President, I am the chairman of Student Council. My main objective in Student Council is to develop school spirit and our inexhaustible Student Council accomplishes this by planning various projects for the students. Some of our programs include Howdy Week, our dances, pumpkin caroling, amending the constitution, and student-faculty games. I believe that true happiness comes only through giving of yourself for others. My parting advice is "be involved in mankind".

Student Council is the voice of the students. This year, three committees-Rules, Activities and Assemblies-were formed to produce better results and accomplish objectives. The main goal was to evaluate and amend the Constitution for form, purpose and content, in order to present a more efficient system of government for the following Student Councils.

# Senior Control

Every year, a new set of faces line the halls to apprehend Make-up Marthas, Short-skirted Susans, and Wrong-way Rhondas. The girls that make up Senior Control have the most challenging job offered. Citations to friends, detention for a "little sister" and restriction to the dress code place a great deal of responsibility on better judgement and fairness. Patience plays a major role in a "controller's" job. Swinging purses, sharp books in the side and the constant pushing are just a few of the things that come with the new day for a Senior Control girl. This year, the Student Body Vice-President, Pat Porchas, worked with Sister Sylvia to better this service organization.

But being a part of this group also holds its rewards. Not only does it give a little saneness to the halls between classes, but Prom Day is given to these girls in gratitude for their services and their bruises. At the end of the year, one girl out of the many is selected as the top Senior Control member, but this year brought a problem to the judges for all did an outstanding job!

# Clunia

Without the Service Board, Senior Control would never get any rest! When the Seniors are away (or just get lazy), the "Crystal" Board takes over. Their purpose parallels that of Senior Control: To serve the school by helping to maintain order in the corridors. One of their many jobs is to keep the Frosh in line during lunch (which in itself is a job and a half!). Arlene Dickerson and Dolores Cabrera were designated as "checkers" by Sister Marie Elaine, Service Board's Moderator.

Service Board prepares Sophomores for the responsibility of Senior Control. The sixty-seven members of the Crystal Class that belong to this organization have done a great job this year.

# Service Board

Vice-President Pam Parham, Secretary Marina Carrira, President Theresa Hokson, Miss Kabot, Publicity Manager Debbie Collins and Treasurer Irene Montes all helped to bring more interest and enjoyment into library work.

Want a book? Ask members of the Library Club! Membership in this organization holds more than service. Initiation, book sales, and parties arouse the quiet library.

Sr. Stephan Joseph gives her artistic advice concerning all art work and all layouts.

The making of PALLIUM 1969-70 started way back in May of our Junior year. After the staff had been chosen, we were sent to a yearbook workshop at El Camino Junior College. There we learned the fundamentals of organizing layouts, taking photos, cropping photos, and the artistic effect when put together. Our next step was to choose our theme. After many meetings and long discussions we agreed upon "The Dawning of a New Time." We thought that since we are the generation of the future and we are starting a new decade, we would be the ones to bring about this New Time and New Day.

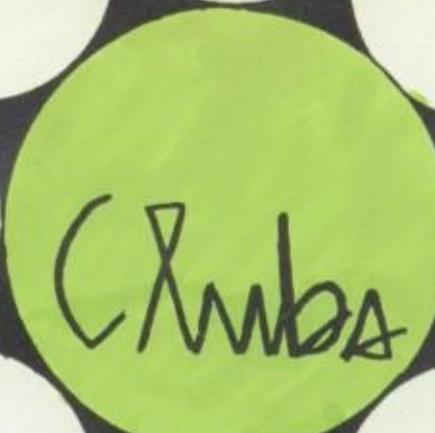

The Editorial Staff of Olivia Villasenor, Chris Guzman, Verneita Salkeld, Christine Takai and Miss Pranik make the major and final decisions.

## Campus RUMORS

If you want to know something about your school, friends, the latest gossip, poetry, and corny jokes, be sure to read CAMPUS RUMORS. Writing stories, doing layouts, cropping pictures, meeting deadlines and distributing the paper are just a few of the steps taken by the staff in putting out a paper. Each girl on the staff learns better writing techniques as well as experiencing the complicated routine of publishing a newspaper. But all is not hard work and toil, each girl experiences the happiness of putting the paper out on time, but then there is the worry of putting out the next issue.

Mr. Spurgen, the Campus Rumor advisor, helps each student with the job of putting out the paper. He guides the five editors which were chosen from last year's class. Irene Aguilera, Debbie Martin, Lorie Chenier, Terry Guiterrez, and Susan Villar teach and help the rest of the staff along with writing stories and doing the different jobs on the newspaper.

# B.G.A.

The Business Girl's Association, with Miss Miles as moderator, aims to develop good business attitudes. The officers are Secretary Isabel Mouton, President Josephine Alvarez, Treasurer Sharon Reddit and Vice-President Betty Dutton.

# Dance Committee

The newly formed Dance Committee, under the leadership of Student Council, was composed of girls selected from each class who showed a great deal of interest in the success of Student Body dances. These girls worked hard at the development of our first dance, "Winter Wonderland", which was a great success in profit and turn out.

Soon after the success of "Wonderland", the committee began plans for a second dance in April. With the great achievements that they have accomplished in their first year, future Committees will prove to be assets to Bishop Conaty.

The JOHNSON 3+1 started off the dance . . .

but THE MAFIA made the dance a success!

Isabel Reyes, Francis Ruiz, Janel Oran, Linda Brussard, Myrna Decoud, Laura Tary and Francine Ivery offer their services in keeping the Sacristy and the Chapel in order. They also play a big part in laying out the color of vestments to fit the day for Mass on Fridays. Arranging the altar and filling the bottles with water and wine is also a great donation of time that these girls give to make Mass enjoyable for everyone.

"To serve man is to serve God and the greatest way to serve man is to bring to him a knowledge of the love of God." This is the goal of the Confraternity of Christian Doctrine lead by Miss Esposito. The C. C. D. aimed to train students to become catechism teachers.

CAM

The members of the Christian Action Movement work together to discover ways of serving others throughout the school and in the nearby vicinity. To do this, they sponsor projects every month such as the Mission Collection, Canned Food Drive. C. A. M. is lead by President Stella Magallanes, Vice-President Jonita Bigelow, Secretary-Treasurer Irene Martinez and Sister Margaret, the moderator.

# CSF and WHS

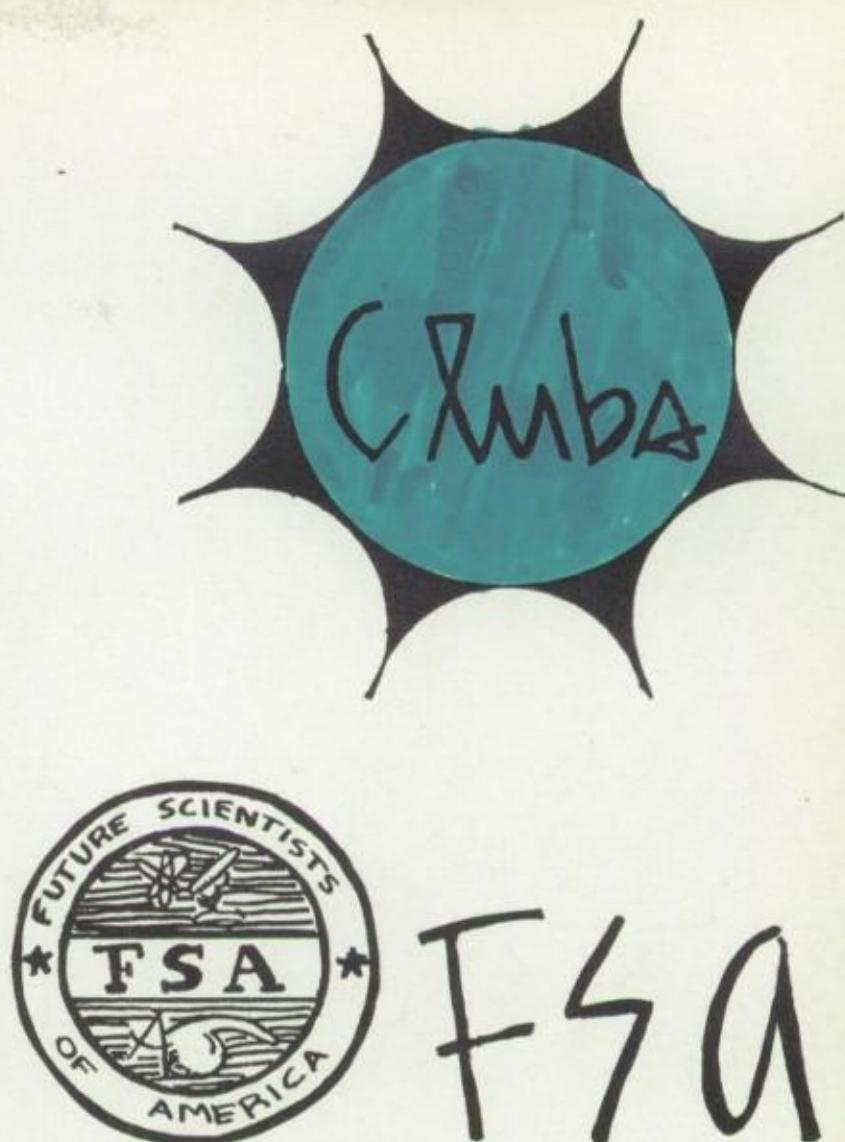

Outstanding students are recognized within the organization of the California Scholarship Federation, supervised by Sister Ann. President Margaret Chow, Vice-President Rose Osuna and Secretary-Treasurer Gloria Di-Matteo promote the thought of enlarging the membership and starting a tutoring group. Carrying the philosophy of scholarships for service, each member recruited a person this year to join the CSF. The CSF has many special activities. Sister Ann and the CSF members provide college and scholarship material for the Seniors and prepare the Juniors for achievement tests.

Members of the Sedes Supientrial Chapter of the National Honor Society are a part of a vast national club honoring enthusiasm for scholarship, service, character and leadership in students. Sister Ann, moderator of the Chapter at Conaty, planned and carried out a survey of graduates to learn of the scholastic achievements of the members. President Conception Duran, Vice-President Maria Valencia, Treasurer Laura Causey and Secretary Cheryl Ratliff attempted to create enthusiasm in the Student Body for NHS happenings.

Miss Klusnick, moderator of the Future Scientists of America, and President Laura Causey aim to unite the members of the club with the study of nature. Vice-President Dolores Zavala, Secretary Alejandra Varela, and Treasurer Olga Garcia assist in the field trip planning as well as the experiments. Members have attended special studies at the Museum of Science and Industry and visited the Huntington Library to explore sea and plant life.

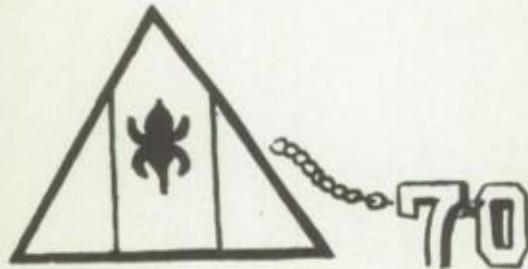

## Math Club

The Math Club, with officers Diane More, Vicki Felix, Cher Kinard, and Donna White, has been one of the most productive groups of the 1969-70 year. They are credited with a Math Journal, tours of mathematical inter-

est and several lectures, including Phylis Nelson on "Jet Propulsion". All of their projects, including the Spring Exhibition, was done to prove that Math has its lighter side.

# Le Centre Jean D'Arc

The Eiffel Tower, the French flag, maps, customs and many points of interest were discussed by the members of the French Club. Under the leadership of Sister Emile, the officers, Vice-President Carmella Dauzart, President Rhonda Meilleur, and Secretary-Treasurer Denise Taylor, tried to bring to the members an understanding and communication with the French. Outings, meetings, assemblies and other activities added interest and knowledge to the organization. One of the highlights of the "French year" is the outing at the end of the year which carries out their interest in French culture.

## Las Españolas

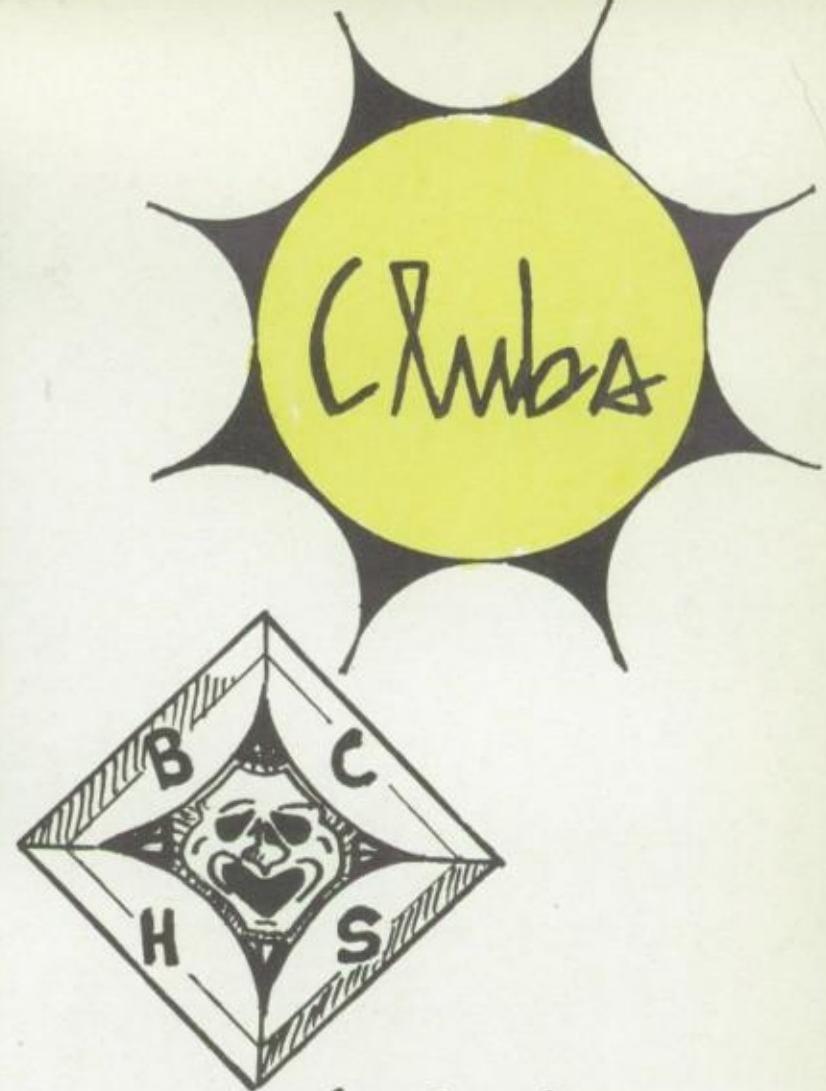

The members of the Spanish Club this year have held activities to put into practice their hopes of furthering the cultural studies of Spanish speaking countries. With the help of Sister Immaculada, the members participated in assemblies, drives and the Guadalupe Procession.

The 130 members planned their annual Pan American assembly and held the Awards Assembly. Each of these were held through the cooperation of the 4 class representatives and the officers Treasurer Olivia Davila, Vice-President Rose Marie Rojas, Secretary Olga Olivas and Treasurer Olivia Davila.

Officers of the Drama Club are: Pres. Paula Brown, Vice-Pres. Debbie Butcher, Treasr. Jessye Scott, Sec'y. Janet Patterson, and Moderator Mrs. Nelson.

## Speech and Drama Club

## History Club

Learning how to discuss current events intelligently is the aim of the History Club. Using books, maps, and charts, Chairman Dianne Moore and Co-Chairman Yetter Ware helped their members understand the topics and problems of current events. Leading the members of the History Club in their discussions as their moderator was Sister Ann.

Sister Stephen Joseph and Rosalinda Morales display trophy and prize winning painting. The trophy was awarded by the United Crusades Art Contest which was held at Maryvale.

At the Art Guild Awards Assembly, Rebecca Rodriguez receives her Art Guild pin.

Creativeness, water colors, construction paper, glue, enthusiasm, and room 211 provide the atmosphere for the Art Guild meetings. Here, the Art students can expand their knowledge and others can express themselves with paintings, plaster, necklaces, and collages.

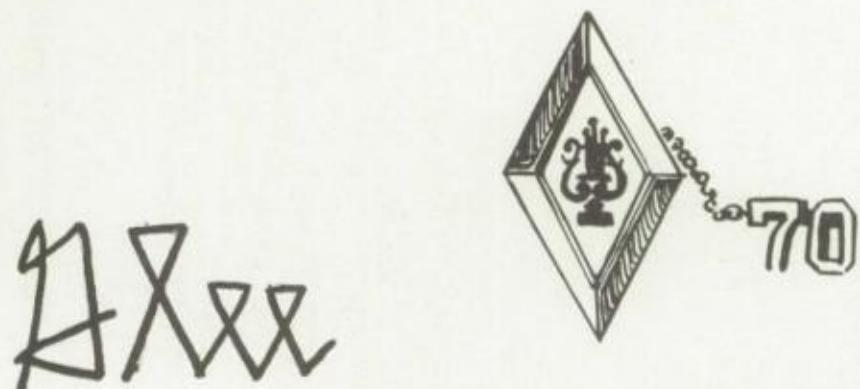

Mr. Mazner, a representative of the United Crusades Art Contest, gave awards to the girls who won certificates and 2nd place to Rosalinda Morales.

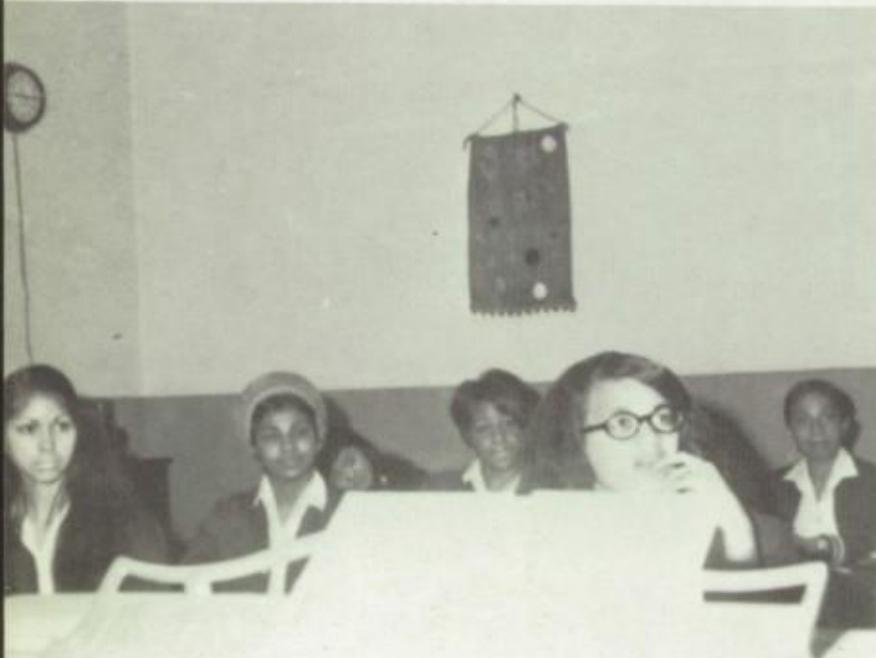

I won't! I refuse to sing that sad song!

The Cecilians and Choralets present musical inspiration and enjoyment to Bishop Conaty. The club members perform for the Student Body on St. Cecilia's feast day, as she is the patroness of the club. The organization gives performances at churches throughout Los Angeles such as St. Vincent's and St. Vibiana's; they also sing at the Senior Commencement. The Glee Club presents a Spring Concert in the month of April for the parents and the students of Bishop Conaty High School.

Gossiping on the green during lunch is a favorite pastime of the juniors and seniors.

The Talent Show of '70 was presented by the juniors and seniors.

Being a part of the Letter Girl Association is an honor and each member is very proud of her membership. It takes spirit, hard work, many hours and lots of patience to earn the points to receive the Award of a Letter. The Lettergirls also play a large role in the G.A.A. for they are the proof of the achievement one can make in being a loyal G.A.A. member.

## Lettergirls

The Lettergirl Officers play a major role in the Lettergirl Association. Their job is to organize the activities of the Lettergirls and see that the activities go smoothly and cooperatively. They also speak on behalf of the Club at G.A.A. Board Meetings and other activities, such as the Annual Awards Assembly, and Banquet.

## Pep Club

The Pep Club can easily be summed up in one word "SPIRIT". The Pep Club showed their outstanding pep at all the games, cheering the team on to victory and sticking with them during defeat. Whether at home or at school they seem to leave a certain kind of an experience that lingers on long after they are gone.

## SISTER JOAN MARIE, MODERATOR OF THE SENIOR CLASS. . .

"The Highlander Class of '70' looks back at four years of discovery of joy in working together, of occasional hurt, of peace and of satisfaction in achievement. The Highlanders have proven that they are people who do not break easily, have no sharp edges, nor have to be carefully kept. May it last for always!"

## LINDA BROUSSARD, SENIOR CLASS TREASURER. . .

"Money has helped to build nations, but it also establishes spirited classes. As treasurer I keep records of all class accounts and make sure that we have financial backing. With the nine section treasurers the class is able to know when and why their money is spent. The Highlander Class is generous and cooperative. It was an honor working with them."

## CYNTHIA JONES, SENIOR CLASS SECRETARY. . .

"Times come and times go, but good times always remain in your heart. In my heart remains the four years I spent here at Conaty and the happiness I had in serving a really out-of-sight class. They will remain with me because they are a part--a happy part."

## MELANIE GRADNEY, SENIOR CLASS VICE-PRESIDENT. . .

"This is my last year at Conaty. It makes me sad to leave, yet at the same time happy to go forth and teach others what I have learned from Conaty. Conaty will be my shining light when problems arise in my life. Being Vice-President was more of a privilege than a duty. The experience of working for my fellow students gave me a sense of purpose. I hope I did my best, because I felt a personal obligation to each and every individual. They put their faith - and that - that means alot. Conaty for me was Camelot in a hard world of reality."

## PAT FAURIA, SENIOR CLASS PRESIDENT. . .

"There is a time for us. . . Highlanders are happiness. From the time we've entered in Conaty we made it our home, Camelot. The seed was planted and as we prepare to leave the blossom will now bloom. We leave, but only with happy, tearful, memories of field day, chocolate drives, great pumpkin and friends. To leave with the true experience of sharing the togetherness and a most definite understanding of Love. Thank you is our message and Highlander is the word. . . "We'll find a new way of living".

Last May, the annual installation of Student Body Officers was held. The campaign, which lasted one week, was filled with rallies, posters, speeches, and badges. Each candidate entered the campaign with enthusiasm and hard work. When it all blew over, Martha was our President; Pat our Vice-President; Terry our Secretary; and Adrienne our Treasurer.

The ceremony is a very symbolic one. Each office is represented by a different colored candle. The President's color is red, for Vice-President it is yellow, for Secretary it is blue, for Treasurer it is green. Each new officer lights her candle, and takes it with her as she walks out of the auditorium.

Congratulations

to the Class of 1970

# Acknowledgments

This school year is at an end. It means that the Seniors will no longer walk the halls of Conaty, but then neither will the Pallium Staff of '70. In serving our time, we have managed to create utter chaos. We took pictures, bothered teachers, took pictures, passed out questionnaires, retook pictures, upset classes, and retook pictures. We managed to get away with it then, but now it's time for the showdown. The final result of all our efforts is in your hands, and it is for you to approve or disapprove of it. Before we go we would like to say "Thanks" to some very special people.

To Fr. Cosgrove, our thanks for his gentle courtesy, patience, advice, serene understanding and generosity. Do you know he trusted us enough to offer us the loan of his camera? Thank-you, Father, for the vote of confidence.

We'd like to mention the faculty, right here. To all the section teachers who had their pictures taken, taken over, and retaken; to all the moderators who filled out questionnaires; to Sr. Diane for her help in correcting copy (I wonder why she missed this one); to Sr. Stephen Joseph (whose Art Room we cluttered) for her artistic advice and many hours of work; to Sr. Miriam Joseph who let us out of class a number of times so that we might complete a deadline (not that we ever did); for all of this we say a hearty "THANKS", and we hope you don't have to go through this again.

Now, we'd like to thank our professional help. Mr. Robert "Hap" Zavack, our American Yearbook Representative, was especially helpful. He answered all our questions, came out to pick up our finished pages (which weren't very many), worked out our budget, and dried our tears. Mssr. Bill and Jack Christy of Christy & Shepherd Studios were especially kind. They fixed the strobe, showed us how to use the camera, refixed the strobe, and when all else failed, they came out and took the pictures for us. We'd also like to thank Alston Studios who did a tremendous job. They managed to take 935 girls' pictures in six hours without losing their minds (now that's what I call talent).

The next person on our list is someone you don't know, but someone to whom you should be grateful. He's the man who took the picture for the yearbook's cover. That's right, Mr. Neal Johnston. How about a nice big hand for him?

We'd like to thank, in all sincerity, Barron's Educational Series, Inc. for letting us use their sun as the symbol for our book.

Finally, we would like to say thanks to a group of girls who made the printing of this book possible. They are, (drumroll, please). . .Sr. Mary Jean and the Mighty Starlet Class of '70. This one class returned over one-half of all the Patrons received, leaving the other THREE classes to make up the rest. All we can say is that if this is a sample of the kind of work you can do, next years yearbook ought to be tremendous, and we're looking forward to it.

Pallium Staff

To Pat: is  
a girl who is  
kind of quiet and the

To Pat,

Good luck in all you  
do and I hope you get the  
sincere happiness you should  
receive. If you don't get it  
in this world, be good and  
you'll get it in the next.  
Stay sweet & DON'T  
change.

Bye Good Luck,

A faint, handwritten signature in blue ink, likely "Pomona College", is enclosed within a large, thin-lined circle. The handwriting is cursive and somewhat faded.

A large, faint, cursive signature or drawing, possibly a stylized "John Hancock", is visible across the top half of the page. The signature is written in a dark blue-grey ink and is oriented diagonally from the bottom-left towards the top-right. It features flowing, expressive strokes and loops.

To Pat  
a nice person  
whom I've known  
since grammar  
school. Stay as  
sweet as you  
are.
